Dear LSA Manager,

This email message is to inform you that you have been asked to review and approve a project number request. If our system has incorrectly identified you as being the LSA for 31GP then please contact Eileen Brady at DSN 442-9494 or 215-697-9494 at the Document Automation and Production Service (DAPS) in Philadelphia to deal with this matter.

In order to review this request, first, login to the ASSIST by clicking [here](#). Once logged on, click [here](#) or click the Project Maint. option in the left-hand menu. Then click the Queued Projects option. This page will display all project requests assigned to you for review. To start the review process, simply click on the link of the project number for 31GP-2008-001 in the Project Id column.

# ASSIST

Project Maint

If you are an LSA, you no longer need to search for project requests to process using a *Request Id* sent to you in an email when a user requests a project. Once you log in to ASSIST and navigate to the **Project Maint** module, simply click on the **Queued Projects** link in the left navigation menu to see a list of all project requests awaiting your approval. You will still receive an email indicating that a request for a project has been made. To view a list of all projects you have approved, click the **Queued History** link.

We are currently experiencing technical issues for projects requesting a block of project numbers and have temporarily disabled this feature. You may still submit multiple project requests for the same FSC but they must be submitted one at a time. We are working to correct these issues and apologize for any inconvenience this may cause.

The ASSIST Project Maint is best viewed using [IE 5.0+](#), [Netscape 4.6+](#), or equivalent with a resolution of 800x600.

Defense Automation and Production Service, Building 4/D, 700 Robbins Avenue, Philadelphia, PA 19111-5094.

If you have any questions, contact any of the following ASSIST Maintenance Team Members:

Registration ([www.ccr.gov](http://www.ccr.gov))

The screenshot shows the homepage of the Central Contractor Registration (CCR) website. At the top, there is a navigation bar with links for Home, Contractors, Grantees, International Registrants, Small Businesses, Help, and a count of 453307 Active Registrants. Below the navigation bar, the CCR logo is displayed next to a large American flag graphic. The main content area features a red banner with the text "Welcome to Central Contractor Registration (CCR)". A detailed description of the CCR database follows, mentioning its role as the primary registrant database for the U.S. Federal Government and its mission to collect, validate, store, and disseminate data. There are also links to "Related Links" for Online Representation and Certification (ORCA), Small Business Administration (SBA), and D&B Web Form for DUNS Number Request.
